| EAST, text search. Inventor search - no double patenting. | 7/18/07 | KT |
| Consulted QAS Brian Johnson regarding 101. It was concluded that the claims were non-statutory because merely obtaining a request and starting a VM based on the request does not provide a tangible result. In addition the system claims are non-statutory because they do not fall within any of the four statutory categories. | 7/19/07 | KT |
